Dear Councilman Ross, Jim Defiore, and Childcare License Board Members:

At this time it is necessary for me to resign from my position on the Childcare License Board, effective June 14, 2006. My husband and I have been retired for four years and we have decided to start traveling more. We plan on being gone from Las Vegas for at least six months so I would have to miss at least 6 meetings.

It has truly been a pleasure, a real education, and a great adventure to serve on this board. I never realized what happened behind the scenes until I was given this wonderful opportunity. I will think of you all - especially on the second Wednesday of each month.

Take care and best wishes,

June Gunderson
